

**THIS IS WHERE IMAGINATION TAKES SHAPE.**

**EVERY PLANE IN HISTORY** took its first flight in someone's imagination. At Boeing, we envision the most remarkable things, and assemble the people and resources to make them take shape. That's why we're here.

Boeing Commercial Airplanes' department of Material & Process Technology (M&PT) has several challenging opportunities for internships in all engineering disciplines during the summer of 2008. The positions are located in the Puget Sound area of Washington state.
