

DRIVING DIRECTIONS TO THE UCLA EE DEPARTMENT

- A parking token must be purchased at booth marked **“Information and Parking”** on entering campus.

- If your host has prepaid parking, give your name and affiliation to the booth attendant to receive token.

- Park on any level in an *unmarked* stall. Do **not** park in a labelled stall! UCLA police issues irrevocable parking tickets.

The UCLA campus is about a 20 minute drive north of Los Angeles International Airport (LAX).

If visiting Los Angeles only on UCLA business, you may find it convenient to take a taxi from the airport. The fare is about \$25 each way.
