Reservations must be initially made by your host at UCLA, although you may make changes. If you must **cancel** a reservation, please do so before 12 noon on the day of arrival, otherwise your host will be liable for one night's charges.

The UCLA campus is a 20 minute drive north from Los Angeles International Airport (LAX). If you are in Los Angeles only on UCLA business, it may be most convenient to take a taxi from the airport; the fare is about \$25.

If driving on your own, you are advised to leave your car parked at the hotel. The Engineering buildings are a 10-minute walk away.
